Regular SUNDAY MASSES 9:00 & 11:00 am
WEEKDAY MASSES – 8:30 am (check bulletin)

"Rise, and do not be afraid." Matthew 17:7

INTRODUCTION

As we begin the second week of Lent, we encounter Abram moving to a new place, the disciples struggling to understand Jesus, and the early Christians trying to figure out how to live the Gospel. If our own understanding about who Jesus is remains a struggle with ongoing questions, let us not be discouraged. If our hearts are open,

we can trust that there will be people and experiences to help us along the way.

Scripture readings:

Genesis 12:1-4a God's blessing and promise to Abram
Ps 33 Lord, let your mercy be on us, as we place our trust in you
2 Tim 1:8b-10 God gives us strength to live the Gospel
Mt 17:1-9 Jesus is transfigured on the mountain

HEALTH PRECAUTIONS AT CHURCH

At this time, we stand together to protect ourselves and others from spreading Corona-virus infection. Therefore, at the passing of the Peace during Mass, we will eliminate handshaking, and hugging. Instead, we can wish peace of Christ with a wave, or a smile to ensure the health safety of all.

Greeting the clergy with a handshake at the doors before and after Mass will no longer take place. A smile and the brief greetings offered as usual will be sufficient. Coughing and sneezing into your elbow and arm instead of uncovered into the air around you will be appreciated by everyone and reduce the risk of infection.

As always, parishioners who are ill on a Sunday morning or exhibiting flu-like symptoms should remain at home from Mass until they are fully recovered from their illness.

The clergy will continue to wash their hands before Mass as they always do. Additionally, they will use an alcohol-based hand sanitizer before and after distributing communion.

The holy water was removed already last week to take away the risk of spreading germs.

The CDC explains the following:

Corona-virus symptoms include a fever, cough and shortness of breath. Symptoms could appear two to 14 days after exposure. The virus spreads through droplets when an infected person coughs or sneezes. People can also become infected by touching something with the virus on it then touching their mouth, nose or possibly eyes.

We will observe these precautions as long as necessary.

Remain healthy, Fr. Joseph
